

Dear Potential Candidate:

Welcome to Trinity! We're delighted that you are looking at us and considering whether this might be the place your ministry is meant to unfold.

At Trinity we love to celebrate God's love with music and camaraderie on the Maine coast.

The priest we're looking for will help us to sustain our place as a welcoming place of worship.

This is a somewhat unusual call. You'll read in our OTM Portfolio about the "Castine Model," in which the Rector is our lead pastor, but coordinates a rota of other clergy who lead worship and are important to our lives. That model is always evolving as clergy come and go, and as needs change, but we are committed to the richness and variety it has offered us.

We hope you'll be moved to enter into conversation with us, and together let us discern whether God is calling you to us. The way to begin the discussion is to apply. Details of how to do that are on the Diocese of Maine's web site--from the "Quick Links" box on the home page, [www.episcopalmaine.org](http://www.episcopalmaine.org), go to "Clergy Transitions/Congregations in Search" for instructions. You can also find a link to our OTM Portfolio in the same place.

We hope to have the chance to be in touch with you personally, and wish you blessings in your discernment.

Yours faithfully,

Bill Carter, Sr. Warden
